

Message from General Co-chair

Dear Esteemed Guests and Participants,

On behalf of PTT Public Company Limited and one of the Conference General Co-Chairs, it gives me great pleasure to offer a heartfelt welcome to all participants of the 2023 IEEE-PES 15th Asia Pacific Power and Energy Engineering Conference, scheduled to take place in Chiang Mai, Thailand from December 6-9, 2023.

This esteemed conference serves as an invaluable forum for researchers, engineers, scholars, and industry experts to gather and exchange innovative ideas, pioneering research, and creative solutions within the dynamic realm of power and energy engineering.

The sharing of knowledge and expertise at this event will play a crucial role in shaping the future of the power and energy sector. As the host nation, Thailand is privileged to welcome esteemed professionals from across the globe to our splendid city of Chiang Mai.

We are dedicated to ensuring that this conference delivers a stimulating and enriching experience for all participants. We express our deep appreciation to the IEEE Power & Energy Society and all supporting organizations for their unwavering commitment and hard work in bringing this event to fruition.

I am confident that the 2023 IEEE-PES 15th Asia Pacific Power and Energy Engineering Conference will not only facilitate the exchange of best practices but also cultivate enduring collaborations and partnerships that will propel positive change in the global energy sphere.

We anticipate your active involvement and valuable contributions, and we trust that your time in Chiang Mai will be both productive and rewarding.

Warm regards,

APPEEC 2023 General Co-Chair

Auttapol Rerkpiboon - *Chief Executive Officer PTT Public Company Limited*
